Napa Cosmetology Collective has not entered into any transfer or articulation agreement with any other college or university.

ACADEMIC POLICIES & INFORMATION ATTENDANCE POLICY

Regular attendance and punctuality will help develop the good habits necessary for successful careers. All scheduled hours of class must be attended.

Attendance must be maintained at an average of 90% of the scheduled attendance if the student is expected to complete the course of study within the period stated in the enrollment agreement. The student must still complete 100% of their hours in order to graduate. During your freshman period, 100% attendance is required. If you miss any days during freshman period, you may be required to pay an additional \$150 for the module you missed. The administration office will work with your educational team to determine your eligibility for retaking the module.

All absences must be reported. A student must notify the school at least fifteen (15) minutes prior to class start if they will be absent. Failure to notify the school by 8:45 am will result in disciplinary action starting at 1 day of suspension. All students must call the school (707-258-2627) to notify of absence.

Students who need permission to be absent for family purposes must notify the school manager two weeks in advance and present written proof of the event. Students are encouraged to schedule medical, dental, personal, or legal appointments outside of their scheduled school hours and should notify the school if they plan to be absent. Students will still be marked absent, tardy, or as having left early if they miss class due to medical, dental, personal, or legal appointments.

Students who have been absent from their scheduled class for fourteen (14) consecutive calendar days, excluding scheduled school holidays, will be dropped from the training program (except those who are required to participate in military duties: students must provide Napa Cosmetology Collective with written documentation verifying the required military duty and length of services requested). You can request a leave of absence for time off school longer than 14 days, upon approval (see LOA Policy below).

TARDINESS POLICY

Students not physically present in class at its start time are considered tardy. Napa Cosmetology Collective must be notified at least fifteen minutes (15) prior to class start if a student will be late. Students must report their tardiness to the administrative staff, by leaving a message at the front desk. If the student clocks in after 9:05am, they will be considered late and will be asked to return for the practical portion of the day (10am). They will also lose 1 hour from their scheduled attendance for the day. All students must call the school (707-258-2627) to notify of absence. A no-call/no-show will result in a 1 day suspension Tuesday through Friday (exceptions at discretion of Administration). Saturdays are mandatory. A no-call/no-show on Saturday

will result in 3 days suspension. A Doctor's note will be accepted as excused, however those hours will still count against your total allowable absences.

LEAVE OF ABSENCE (LOA) POLICY

Occasionally, students may experience medical/family emergencies or be requested for military service, which may make it difficult to attend classes. The institution may allow a student under such circumstances to take a leave of absence (LOA) from the program. This applies to all students enrolled in Napa Cosmetology Collective programs.

A LOA must be requested in writing by the student, in advance, signed, and dated and must be approved by the school. The written request must include the start and end date of the leave of absence and the reason for the student's request. Leaves of absence may be granted for up to 180 days, within a twelve (12) month period. These 12 months initiate from the first day the student goes on their first leave of absence. Students must reasonably be certain of their intent to return. The approval of a LOA will only be granted if there is a reasonable expectation that the student will return from the LOA.

Students will not be assessed additional tuition charges while on their Leave of Absence or any additional charges because of a LOA. Students returning from an authorized LOA will retain all credit for clock hours and work projects completed and will return to the academic progress status they held. A student granted a LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.

In the event that unforeseen circumstances prevent a student from providing the request prior to the LOA, The Collective will document the reason for granting the LOA and will require documentation from the student later. In this instance, the beginning date of the approved LOA would be determined by The Collective to be the first date the student was unable to attend The Collective because of the circumstance.

Students who fail to return from a LOA will be considered dismissed as of the last day of attendance.

The withdrawal date for the purpose of calculating a refund is always the student's last day of attendance, all refunds will be due 45 days from the date of determination.

LOA's may also affect the scheduled progression of the students' program. Napa Cosmetology Collective will extend the student's contract period by the same number of days taken in the LOA. Changes to the contract period on the Enrollment Agreement must be initialed by all parties or an addendum must be signed and dated by all parties. Documentation shall be maintained in the student's file.

ACADEMIC PROGRESS

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

The Higher Education Act mandates that institutions of higher education establish minimum standards of “Satisfactory Academic Progress” for students receiving financial aid. Napa Cosmetology Collective currently does not offer financial aid. The satisfactory academic progress policy is printed in the school catalog to assure that all students receive a copy prior to enrollment.

STANDARDS: Napa Cosmetology Collective expects all students to maintain Satisfactory Academic Progress (SAP) as established by this institution, the student must:

1. Maintain an academic average of **70%** or above on all tests, work projects (operations) and other required course work.
2. Maintain an average attendance level of at least **90%** to remain in the program. 100% completion of hours is required to graduate. Students receive 1 day of absence per 100 hours before they are required to begin paying \$12/hr for all additional time missed.
 - a. Cosmetology students - 10 days/1000hrs
 - b. Esthetics students - 6 days/600hrs
 - c. Manicure students - 4 days/400hrs

Students that are attending the course program who have more than two (2) weeks (14 calendar days) of consecutive absences will be dismissed. This standard shall apply to all students except those on an approved Leave of Absence (see LOA policy). Students who expect to be absent 14 or more days without approval will be dismissed. In addition to attendance standards relating to Satisfactory Academic Progress (SAP), students are also required to adhere to certain other general institutional policies relating to attendance and tardiness.

- Evaluations are conducted at the end of each evaluation period to determine if the students have met the minimum requirements. (Freshman, Phase 1, Phase 2, Phase 3)
- The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 90% attendance since the beginning of the course that indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed. These policies are outlined elsewhere in this catalog.

EVALUATION PERIODS

(based on scheduled hours)

The evaluation periods at which attendance progress shall be evaluated are the following and are based on the scheduled attendance.

Cosmetology	Freshman, Phase 1, Phase 2, Phase 3
Schedule Hours	Midpoint and at the end of academic cycle
Esthetician	Freshman, Phase 1, Phase 2, Phase 3
Schedule Hours	Midpoint and at the end of academic cycle
Manicure	Freshman, Phase 1, Phase 2, Phase 3
Schedule Hours	Midpoint and end of course

Full time attendance is REQUIRED during freshman period. NCC teaches freshman courses in a bootcamp style format. In order to get the complete education required to begin working with clients, each student must be present full time for the freshman cycle. For the Cosmetology course that is 4 weeks @ 35hrs/week) and Esthetics is 2 weeks @ 35hrs/week) and Manicuring is 40 hours (1 week @ 35hrs/week + 1 day). Students are required to be here full time during this period and must make up any missed hours before they can move on to working on clients. Also, each student must pass a freshman proficiency test to show they understand the basic fundamental learnings from their courses.

For transfer students, the SAP will be set after the initial evaluation period to determine appropriate timeline.

If a student is making satisfactory progress at evaluation time, then said student is considered making satisfactory progress until the next evaluation period. If a student is NOT making satisfactory progress at evaluation time, then said student may be placed on warning or may be required to take additional course study, at the students' cost, to meet the minimum requirements for passing.

DETERMINATION ON PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are making satisfactory academic progress until the next scheduled evaluation. The Collective is required to notify students of any evaluation that impacts the student's eligibility. Students receive a soft copy of their Satisfactory Academic Progress evaluation that must be signed at the time of the evaluation and kept in their student file. Students may request a copy of their SAP at any time from the registrar's office. Students deemed not maintaining Satisfactory Academic Progress may have their eligibility interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

MAXIMUM TIME FRAME

The maximum time frame a student must complete any course is 1 ½ times the course length. Transfer hours from another institution that are accepted towards the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Students who are unable to complete the program within the maximum time frame may continue in school under SAP-FA TERMINATION status. This status allows students to continue in school while subject to private pay options for any remaining account balances. Leave of absences are not included in this total. A leave of absence will also extend a student's contract expected graduation date and the maximum time frame of one and one-half (1 ½) times the length of the course as stated in the enrollment agreement by the number of days taken in the leave of absence.

The regular and the maximum timeframe for completing each course is the following:

- Complete the course within one and one-half (1 ½) times of the course as defined in the enrollment agreement. For Example, if the student has contracted to complete the course within 40 weeks, he or she must complete within 60 weeks.

WARNING

Students who fail to meet minimum requirements for attendance (90%) or academic (70%) progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The students will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period may be placed on probation and considered to be making satisfactory progress while during the first probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, at the end of the probationary period, if the student meets their requirements, they will be taken off probation.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS DISMISSAL

Students who have lost eligibility for financial assistance may reestablish by meeting their minimum academic and attendance average by the end of the probation period. If after this period a student is still in unsatisfactory progress, they may be dropped for the course of study at the discretion of the Campus Director. In case of extenuating circumstances, special arrangements may be made with school officials. These arrangements will be handled on an individual basis. The probation period and reinstatement period apply to all students, where or not they are on financial aid.

APPEAL PROCESS

Students who wish to appeal the determination that they are not maintaining satisfactory progress after the warning period must submit a letter to the Campus Director within 10 days of receiving the notice of a negative SAP determination, describing any mitigating circumstances the student believes deserves further consideration: why the student failed to make satisfactory academic progress and what has changed in the student's situation that will allow the achievement of satisfactory academic progress at the next evaluation. The institution will also determine that satisfactory academic progress standards can be met by the end of the subsequent evaluation period. Such mitigating allowable special circumstances might include death of a

relative, an injury or illness of the student, military service for which the student has elected not to request a leave of absence. An appeal decision will be made, and the student notified accordingly. INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

Course incompletes, repetitions and non-credit remedial courses have no effect upon the student's satisfactory academic progress. If enrollment is temporarily interrupted for a Leave of Absence, hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence and will not be included in the student's attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses and repetitions do not apply to this institution. Therefore, these items have no effect upon The Collective's satisfactory academic progress standards.

TRANSFER HOURS

Transfer hours from another institution that are accepted towards the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time frames have been exhausted. Napa Cosmetology Collective reserves the right to determine our own transferable hours. SAP evaluation periods are based on actual contracted hours at The Collective.

ATTENDANCE STATUS

Full time: Any student scheduled to attend 30 hours or more per week are full-time students. Part time: Any student scheduled to attend at least 20 hours per week and less than 30 hours per week are a part-time student.

GRADING SYSTEM

Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to letter grade evaluation forms are issued to the student at the end of each evaluation period. The evaluation forms reflect the overall attendance (Measured in clocked hours) and academic progress of the student. Students must maintain a **70%** average to maintain satisfactory academic status. The grading scale is detailed below:

THEORY: Theory or Technical Instruction is instruction received through demonstration, lecture, classroom participation and examination. Theory work will be graded as follows:

GRADE	LEVEL
70% - 100%	Satisfactory
0 – 69%	Unsatisfactory

GRADE	LEVEL
70% - 100%	Satisfactory
0 – 69%	Unsatisfactory

STUDENT CLOCK HOUR POLICY:

The Board of Barbering and Cosmetology will only recognize official time-clock registered hours for attendance. As a result of this requirement, The Collective can only award clock hour credits to students who record their attendance by using the biometric finger scan to clock in and out when arriving and leaving school. A thirty-minute lunch break shall be taken when a student attends a 5-hour class day or more. If you are attending less than a 5-hour class day and desire to take a lunch break (30 minutes), then the half hour must be deducted from your daily total, and you must clock in/out on our system for the lunch break. **If a student does not clock in and out at lunch, 30 minutes for lunch will be automatically deducted for that day.**

After clocking in you are required to maintain theory / demonstration class or be in applied effort. The time clock reflects the student’s daily record of hours and operations. It is important that all hours and operations are recorded properly and accurately daily. Student’s punches must be retained/ stored in their entirety for 6 years by the school. The school will NOT adjust punch errors by the students. The only exception for adjustments will be if it is a fault of the biometric scanner, SIS system, or power outage.

TIMECARD CREDIT

The following is a guideline for the instructor to issue credits.

- Theory hours: any technical instruction, lecture, worksheet, demonstration, tests, and any oral instruction given to the student.
- Each awarded theory hour must be registered in the proper category. If the category is complete, the instructor may issue credit in a comparative category.
- Practical operations: any practical performances by the student.

Personal grooming, leaving the building, reading material not related to the program, or activity unrelated to the program while being clocked in will not be tolerated. If a student is found to be clocked-in to school while performing any of the above activities, the student will be asked to stop the activity, clock out for the remainder of the day. Continued activities of this nature could result in your probation or termination.

PROGRESS POLICY

Considering the varying capabilities of students, some may progress from one phase of training to another at a more rapid pace. However, all students must satisfactorily complete all subject matter prior to graduation unless credit has been allowed for previous training or experience in a particular subject area. Successful graduates will be awarded an appropriate Certificate upon completion of their training program. FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

2022-2020 Family Educational Rights and Privacy Act (FERPA) All information in the student files would be available to any governing state agency, accrediting agency, and federal agency during the process of reviewing the school's normal approvals, accreditations, eligibilities, and other matters conducted by those agencies without the specific consent of the student and/or parents.

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education record maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that school correct records, which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

School officials with legitimate educational interest; Other schools to which a student is transferring; Specified officials for audit or evaluation purposes; Appropriate parties about financial aid to a student; Organizations conducting certain studies for or on behalf of the school; Accrediting organizations; To comply with a judicial order or lawfully issued subpoena; Appropriate officials in cases of health and safety emergencies; and State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

HEALTH AND PHYSICAL CONSIDERATIONS

A person must consider their physical limitations in terms of making a career choice that involves extensive physical demands. Generally, a student/employee must be in good physical health since they will be working in direct contact with customers. Napa Cosmetology Collective, at its discretion, may make reasonable changes in program content, materials, and equipment, as it deems necessary, in the interest of improving students’ educational experience. Napa Cosmetology Collective reserves the right to make changes in organizational structure, policy, and procedures as circumstances dictate.

When class size and curriculum permit, classes may be combined to provide meaningful instruction and training and contribute to the level of interaction among students. When federal, state, accreditation, or professional policy or standard changes occur, The Collective is required to make appropriate changes and will attempt to minimize the effects of any changes on current students.

NON-DISPARAGEMENT POLICY

The Collective values student views on ways to improve all the services we provide to our students. Our open-door policy is designed to provide a means for sharing ideas and views with us. The quality of the experience and education obtained at The Collective is drastically influenced by the attitude of instructors and other employees. If students are positive and confident and speak highly of the quality of the education, curriculum, instruction, facilities, and administration, the environment will reflect the same. If, on the other hand, students speak unfavorably, however well intentioned, regarding the quality of the education, curriculum, instruction, facilities, or administration, confidence and education may be impaired.

For these reasons, we expect everyone to voice concerns and constructive criticism solely to management, and never, under any circumstance, express views being critical of the education, curriculum, instruction, facilities, or administration of The Collective. Violation of this rule will result in disciplinary action, which may include immediate termination.
